

Seminar for scientists

From data analysis to publication. Seamlessly.

Are you using two operating systems or even two computers? You could be using just one operating system on a single computer! Find out why the research community is migrating to Mac OS X.

Agenda

- | | |
|---------------|---|
| 13.00 – 13.30 | Intro Ove Lidström, Business Development Manager Education. |
| 13.30 – 14.30 | A platform for scientific computing
